

## SLC Wall Remote RF Potmeter 1 Zone

08/04/2022

**S50003**

### Product description

Mono wall panel for dimming 1 zone. RF (Radio Frequency) 868MHz

Mono wall panel for dimming 1 zone. RF (Radio Frequency) 868MHz. Fits in wall-box. Battery-powered (3V CR2032) and therefore does not need a separate power supply.

### Technical data

Manual transmitter	No
Window transmitter	No
Signal transmission	Radio control
Mounting method	Other
Material quality	Other
Surface protection	Other
Colour	White
Transmission range	300 m
Suitable for dimmer	Yes
Suitable for indication element	No
Mono	Yes
RGBW	No
Frequency range (Hz)	-
Battery included	Yes
Number of zones	1

Wall-mounted transmitter	Yes
With remote control	No
Number of channels	1
Material	Glass
Halogen free	No
Surface finishing	Glossy
Transparent	No
Suitable for switch	Yes
Suitable for venetian shutter switch	No
Suitable for movement sensor	No
Tunable White	No
Input voltage (V)	-
Battery power	Yes
Expected lifetime (Hours) (Ta 45°C)	50000
