Freebird BT Hearing Protection

Art nr: 1001645

Previous art. nr: FRB101

Guardio Freebird BT is a professional-grade hearing protection (EN352) that meets high demands for protection, comfort, and top-class sound quality. It features Bluetooth technology for hands-free calls and music streaming via Qualcomm, with patented apt-X technology that enhances audio quality. The rechargeable battery offers up to 120 hours of operation. Smart solution where the hearing protection can easily be transformed from headband use to helmet adapter. Tested and approved for use with several leading helmet brands. Bluetooth multipoint and built-in ambient awareness with superior attack time technology. Charger, headband, helmet adapter, and storage pouch included.
